- The volunteer list on the left appears won't show you your list of volunteers, we suggest you hide it with the [-] button
- The calendar shift entry shows you the number of people who have signed up for the shift/to the minimum number of volunteers requested.
- Note the [Refresh] button to get the latest signups.
- Note the URL at the bottom, you can send this directly to your volunteers and they won't have to hunt for the opportunity after they have logged in. (This can also be found on the first tab of the opportunity profile)

The Volunteer will have to find the opportunity in the “My Placements” button on their dashboard. Once found, they will need to select the “Click here for details or to remove yourself” to open the opportunity.

Or, after logging in, they can put the URL of the opportunity into the address bar.

Once the volunteer finds the opportunity with the shifts, they can select or deselect a shift.
